We provide help to the children of serving and ex-serving personnel when they are in need, hardship or distress. We have been in operation for over 100 years supporting children up to the age of 25. We help almost 2000 children and spend around £1.3 million annually. The majority of our work is with the children of serving personnel most of whom have special needs or physical disability, with help ranging from specialist equipment to respite care.
